Please NOTE: Students may complete the requirements for the bachelor’s degree program within two years, although certain majors may require more than 20 courses, which could result in extended time at La Salle.

DCCC-La Salle Dual Admission Students: Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at Delaware County Community College, provided students take two CORE “qualifiers”: one English Writing/Research course (which can be satisfied by ENG 115 at DCCC or taken at La Salle) and REL 100: Religion Matters (which must be taken at La Salle because there is no equivalent course offered at the community college). Dual Admission is specific for Nutrition Didactic Program only, not the Nutrition Coordinated Program.

Non-Dual Admission students who transfer to La Salle University will be required to complete the entire La Salle Core, which includes specific courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, www.lasalle.edu, to view the current course catalog.

Notes for Dual Admission Applicants:

- 1) The Dual Admission Intent to Enroll form must be completed before 45 college credits are earned.
- 2) The Dual Admission application must be completed on La Salle University's website, www.lasalle.edu. It is free to apply online.
- 3) Dual Admission is specific for Nutrition Didactic Program only, not the Nutrition Coordinated Program.
- 4) Additional courses beyond the associate degree can be taken at DCCC to meet program requirements at La Salle.
- 5) DCCC transcript must be sent one semester prior to graduating to the Office of Transfer Admission, La Salle University, 1900 W Olney Ave, Philadelphia, PA 19141.
- 6) Final official transcripts must be sent by the student as soon as the final semester is completed and associate's degree conferred.
- 7) Students must uphold a grade point average of 2.75 or higher to qualify for Dual Admission.
- 8) All Dual Admission applicants for full-time day programs will be eligible for the Dual Admission Achievement Scholarship.

Additional Admission Requirements for Nutrition Applicants (Dual Admission and regular transfer)::

- 1) Students must have a minimum cumulative GPA of 2.75 as well as a science GPA of 2.75 or better.
- 2) Students are permitted to repeat one science one time in order to obtain the required 2.75 science GPA.
- 3) Students are required to submit official transcripts from all prior colleges attended. DCCC transcript must be submitted after each semester in which additional coursework was earned. It is the students' responsibility to make sure that La Salle has their most recent and updated transcripts before starting classes. Final transcripts MUST be received before attending La Salle. Failure to comply will result in a hold on all future registration at La Salle.
- 4) Students must submit two letters of recommendation (one must be academic in nature).
- 5) Students must submit one essay or personal statement.

Additional Notes for all applicants (Dual Admission and regular transfer):

- 1) The maximum amount of transfer credits awarded cannot exceed 70.
- 2) At least half of the courses required by the major department (i.e., major requirements) must be completed at La Salle.
- 3) All full-time day applicants will be eligible for the merit-based Founder's Scholarship. The award amount will depend on grade point average and quality of curriculum.
- 4) The Phi Theta Kappa Scholarship is offered to all full-time day transfer applicants who are members of PTK with a 3.5 cumulative GPA or above. Proof of membership is required to qualify for this scholarship.
- 5) Non-Dual Admission students should seek advisement on General Education Elective courses that will satisfy the La Salle Core.
- 6) Students are strongly advised to use this guide with the assistance of transfer services at DCCC. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with transfer services for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at DCCC. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
