**Please NOTE:** Students may complete the requirements for the bachelor's degree program within two years, although certain majors may require more than 20 courses, which could result in extended time at La Salle.

**MCC-La Salle Dual Admission Students:** Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a **Core-to-Core component**. Under the Dual Admission agreement, La Salle University's Core will essentially be fulfilled by the Core at Middlesex County College. In order to meet the requirements of La Salle's Core, students must take one **CORE Qualifier** – REL 100 Religion Matters – at La Salle as there is no equivalent course offered at MCC that will fulfill this requirement. Please see additional notes regarding Dual Admission on the reverse side.

**Non-Dual Admission students** who transfer to La Salle University will be required to complete the entire La Salle Core, which includes courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, [www.lasalle.edu](http://www.lasalle.edu), to view the current course catalog.

*\*When equivalent courses are worth different credit amounts, the course will be satisfied and the amount of credit earned will transfer.*
