

# La Salle University STEAM Summer Enrichment Camp 2024

## Passing the Torch: Olympics at La Salle

The 2024 Summer Olympic Games will be held in Paris, France. During the La Salle Summer STEAM Enrichment Camp students will experience the Olympics right here on campus. Through exploration of science, technology, engineering, art, and mathematics students will learn about the history, culture, geography, language, and sports associated with the Summer Olympic games.

The La Salle Summer STEAM Enrichment Camp offers all students entering 1<sup>st</sup> – 9<sup>th</sup> grade (as of September 2024) inclusive, engaging, and integrated learning experiences across all subject areas. Supervised by university faculty, our teachers are prepared to differentiate instruction to maximize each child's learning and success, motivating students to want to learn through hands-on, indoor, and outdoor activities using evidence-based teaching practices. Students will have opportunities to play games, explore, create and make art, learn new sports, and practice personal wellness techniques as part of their camp experience.

The summer camp students must bring their own lunch; morning and afternoon snacks and drinks will be provided.

### IMPORTANT INFORMATION

**Location:** The La Salle Summer STEAM Camp will be held on the main campus of La Salle University at 1900 W. Olney Avenue, Philadelphia, PA 19144 in Hayman Hall.

**Dates & Times:** The program runs from **Monday, July 1, 2024 – Friday, July 19, 2024**. There will be **NO** camp on **Thursday, July 4, 2024 – Friday, July 5, 2024**. The program starts at 8 AM and ends at 4 PM.
