Please NOTE: Transfer students will spend a minimum of three years at La Salle in order to complete the degree requirements for the BSN.

MCC-La Salle Dual Admission Students: Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University's Core will essentially be fulfilled by the Core at Middlesex County College. In order to meet the requirements of La Salle's Core, students must take one **CORE Qualifier – REL 100 Religion Matters** – at La Salle as there is no equivalent course offered at MCC that will fulfill this requirement.

Non-Dual Admission students who transfer to La Salle University will be required to complete the entire La Salle Core, which includes courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, www.lasalle.edu, to view the current course catalog.

Middlesex County College (MCC) & La Salle University
Transfer Guide for Allied Health Pre-Professional Degree (A.S.) at MCC
to Nursing (B.S.N.) at La Salle University

Notes for Dual Admission Applicants:

- 1) The Dual Admission Intent to Enroll form must be completed before 45 college credits are earned. Applications must also be completed on La Salle University's website, www.lasalle.edu. It is free to apply online.
- 2) MCC transcript must be submitted at the time of admission review.
- 3) Final official transcripts must be sent by the student as soon as the final semester is completed and associate's degree conferred.
- 4) All Dual Admission applicants for full-time day programs will be eligible for the Dual Admission Achievement Scholarship.

Additional Admission Requirements for all Full-Time Day BSN Applicants (Dual Admission and regular transfer):

- 1) High school transcripts or GED results
- 2) Two letters of recommendation; one must be academic in nature
- 3) An essay or personal statement
- 4) SAT or ACT scores - if taken within the past three years, composite score of 1080 on the SAT (critical reading and math only) or composite score of 21 on the ACT. If SAT or ACT scores are not available or do not qualify, students will be required to take the ATI-TEAS entrance exam. Students must meet the standardized benchmark on the TEAS exam. Students who will be taking the TEAS entrance exam will need to do so at the time of application.
- 5) Students must have a minimum cumulative GPA of 3.0 as well as a science GPA of 3.0 or better (science GPA includes Anatomy and Physiology I and II, Microbiology and Chemistry). A & P I and II must be completed within five years; Microbiology and Chemistry within ten years.
- 6) Students are permitted to repeat one science one time in order to obtain the required 3.0 science GPA.
- 7) Students must complete all science prerequisite courses by the end of the spring semester prior to their intended fall start date. Students will be permitted to take summer classes in an attempt to complete their liberal arts/CORE requirements, but no science class can be completed the summer prior to the intended fall start.
- 8) It is the students' responsibility to make sure that La Salle has their most recent and updated transcripts before starting classes. All final transcripts MUST be received before attending La Salle. Failure to comply will result in a hold on all future registration at La Salle.
- 9) The School of Nursing and Health Sciences is utilizing CastleBranch for background screening and immunization tracking. The student will enroll in CastleBranch when accepted into the nursing major. Any students with a positive background check will not be permitted to start the nursing major.

Additional Notes:

- 1) **Transfer students will spend a minimum of 3 years at La Salle in order to complete the degree requirements for the BSN.**
- 2) The maximum number of credits that a student may transfer to La Salle is 70.
- 3) All full-time day applicants will be eligible for the merit-based Founder's Scholarship. The award amount will depend on grade point average and quality of curriculum.
- 4) The Phi Theta Kappa Scholarship is offered to full-time day transfer applicants who are members of PTK with a 3.5 cumulative GPA or above. Proof of membership is required to qualify for this scholarship.
- 5) Students are strongly advised to use this guide with the assistance of an MCC Counselor/Advisor. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with an MCC Counselor/Advisor for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at MCC. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
