THE STUDENT HEALTH CENTER WELCOMES YOU!

Our job is to keep you and the rest of campus healthy. One of the most important items in achieving this is to be properly immunized. All required immunizations must be completed in order to prevent outbreaks of communicable diseases.

What do you need to do by July 31, 2021?

- Complete the enclosed Student Health History Form. Due: July 31, 2021
- Complete the Proof of Vaccines. Due: July 31, 2021

***Failing to complete the mandatory Student Health requirements will result in a medical hold that will restrict you from registering for classes for the next semester.**

Please visit our website lasalle.edu/healthform for more information.
